20<sup>th</sup> March 2020

Dear Parent/Carer,

Further to recent correspondence regarding our planned use of online learning platform Edmodo. I also want to remind you of other online learning platforms that we use in school but can also be accessed by our pupils at home for purposes of home learning.

### **More about online hosted learning platforms used at Reddish Hall School**

**Edmodo** - Teachers can set class work and home learning tasks for pupils via Edmodo. Pupils are able to upload completed work/evidence to their user area within Edmodo for teachers to mark and award points.

**(Information required for sign up = Pupil first name and surname only)**

**Mathletics** - Further to correspondence sent out earlier this term regarding use of Mathletics in school and at home we want to remind you of the benefits of this Maths resource. Your child is using Mathletics as part of their mathematics program at school. Mathletics is a targeted, rewarding and captivating online learning resource, which is aligned to curriculum standards.

**(Information required for sign up = Pupil first name and surname only)**

**Diagnostic question** - Every question is multiple choice, but the careful design of the questions allows any misconceptions to be identified and then resolved by the teacher. **(Information required for sign up = Pupil first name and surname only)**

**TT Rockstars** – Further to correspondence sent out earlier this term regarding use of TT Rockstars in school and at home we want to remind you of the benefits of this Maths resource. TT Rockstars is a fantastic online way to develop knowledge of times tables and division facts for all pupils. Times tables are recognised as essential to access many mathematical concepts and knowledge.

**(Information required for sign up = Pupil first name and surname only)**

Please complete the reply page below indicating which platforms you give permission for your child to use. The slip should be returned as soon as possible in order that we can continue to offer hosted online learning to your child.

Yours sincerely

Brian Norbury  
Assessment & Examinations Lead
