

# Clubs at Reddish Hall 2025-26

Your voice

We want to make the clubs we offer more appealing to you.

This includes clubs which happen:

- at lunchtimes
- during Friday Options
- after school

So, we need to understand what you are interested in!

Even if your idea isn't something we've had at school before, we want to hear it.

The club or activity idea must be something which:

- is safe
- can be done on the school site, either indoors or outside
- can be done in a small group
- can be set up, used, and tidied away in around 30 minutes (for lunchtimes) or 50 minutes (for after-school club / options)
- isn't extremely expensive

Please take some time to think about, or to discuss with your friends, what clubs you would like us to offer at school.

Once you've had some thinking time, in a day or two, we will ask you to write your ideas on a form.

Don't forget to tell us your name & class so we can *try* to make your club happen in your building when you're there!

Club suggestions form from: \_\_\_\_\_

Class: \_\_\_\_\_

Club	Tell me more... <i>What would the activity be (if the title doesn't make that clear!)?</i>	When would you want to attend this? <i>Tick all that apply</i>		
		Lunches	Options Fridays	After School

What is the club or activity you'd like us to offer?

When would you come to the activity?

You can tick one, two or all three of the time slots.

Please help us understand what the activity would be – what will you do in this club?

## When will these clubs start?

We hope to have them ready for when you return to school in September.

## Which staff will run the clubs?

We won't know this until we know which clubs we can offer. We'll try to get the staff who have relevant skills and interests leading the clubs.

## Will you use all of my suggestions?

No, sorry. We can't guarantee that everyone's ideas will happen: we have lots of pupils with lots of different interests! We will see which clubs/activities are most popular and start with those. You may want to talk to your friends and agree some suggestions so that those choices are upvoted!

## How often will the clubs happen?

- For lunchtimes, at least once a week. Some will run every day.
- For Options, they may be on a rotation, like the gold option activities.
- For after-school clubs, they will happen once a week, for a block of around 6 weeks. The activities will then change for the next block.

If you have any questions we haven't answered here, please write them on the back of your form when you complete it, or ask your form tutor, who will pass them on to us.
