

Momenta Connect

Private assessments, therapies and diagnostics for children and young people

At Momenta Connect, we provide timely, expert assessments and therapeutic support to help children and young people understand their needs and move forward with confidence. When families face long waits for services, our experienced team offers faster access to the right specialists - providing clarity, reassurance and clear next steps without delay.

With over 15 years' experience, our team of psychologists, occupational therapists and speech and language therapists work together to deliver personalised, child centred support tailored to each young person.

Whether delivered in our clinical hubs, online, or within schools, our approach helps children feel understood, supported and ready to progress - breaking down barriers to learning and building lasting confidence.

Our services (appointments readily available):

- Autism Diagnostic Assessment – £1,900
- Educational Psychology Assessment – £990
- Speech & Language Therapy Assessment – £450
- Occupational Therapy Assessment – £595
- Handwriting Assessment – £300
- SaLT / OT Therapy Sessions – £110 per hour

Momenta Connect works nationwide through our clinical hubs and online services, ensuring families can access expert support wherever they live. Our team will help you identify the most appropriate service for your child's needs.

We're here to support children, young people and families with flexible, trusted care - when it matters most.
